August 24 Be at the polls collecting signatures

Greetings!

Medical marijuana re-legalization is a national issue. When people are united, the laws will change. We have our first out of state chapter joining us this month. In Florida, we we are up to \$27,680 and 14,332 valid signatures.

Nullify Now! 10-10-10 in Orlando

We are a proud sponsor of this event. The Tenth Amendment Center believes in state's rights. Individual states have the right to nullify federal laws. This is exactly what we are trying to do with our effort to re-legalize medical marijuana. I will be a presenter at the event and want each of you there for support. Pre-sale tickets are only \$8.99 - this week only. If you can't make it to Orlando, there will also be events in Fort Worth, Chattanooga, and Phoenix.

Contact Your Candidates

This week, you should have received your sample ballot in the mail. We need you to call each and every candidate and ask them the following question:

"Will you support the rescheduling of medical marijuana so that a doctor can recommend it for treatment?"

Report the answers to us as soon as possible. While we can not endorse any candidate, we will compile a list of responses, so you can be an informed voter on August 24.

New Jersey Chapter

We would like to welcome the first out of state chapter. Compassion Associates is working for the freedoms of patients in New Jersey. We will be uniting forces with people from all over the world to get medical marijuana re-legalized. If you would like to start a chapter for your state, please send me an email.

Fully Informed Jury Association

I recently learned the true power of a jury. It is to protect citizens from abuses of power by government. A jury can veto or nullify a law, refusing to convict a person if they find a law unreasonable. The government does not have the right to tell us marijuana can not be used as medicine. It only takes one juror to help change the laws. If juries refuse to convict patients, the laws will get changed. Remember that Jeffrey Kennedy's trial is coming up in Palm Beach county. We need to get the word out to every potential juror, not only there, but around the country.

Make sure to contact your candidates, get involved, and contribute at least \$5. We are changing the world. Thanks so much for helping!

Sincerely,

Kimberly Russell
