Dear Kim,

Happy New Year! We have collected \$10,340 and 34,120 signatures in the past 9 months. We are out performing every other state that has medical marijuana legislation.

Patient Spotlight

By Daniel B.

"When I approached my doctor about how marijuana has helped me through the treatment process, I was given a prescription for the drug in pill form. My state does not allow for natural medical marijuana. Figures, I thought; the drug companies are allowed to synthesize a diluted medication that is already in its perfect state. Needless to say, the pill was not nearly as good as the real thing, nor has any prescription medication been to this point."

Do What You Can

Some people are able to help us collect signatures, but can't donate. Some are able to donate money, but can't volunteer. Every person has the ability to help and must participate for us to reach our goal. Don't just sit by and wait for everyone else to do something. Please, do what you can.

Medical Marijuana Benefit

On January 16, there is a concert event taking place at Tobacco Road in Miami to benefit PUFMM, Patients Out of Time, and Norml South Florida. There will be three stages with many bands performing a variety of music styles. Vendors promoting merchandise and activists educating the public will be on hand. We are arranging for discounted lodging for those who want a weekend getaway. We need help collecting signatures and distributing information. Please make every effort to attend.

Free Supplies

We now have the ability to offer you supplies for free. PUFMM Elite members can get a complete package of 1,000 petitions, a t-shirt, flyers, bumper stickers and pens. We will send you free supplies for as long as we can. Right now the focus is on getting signatures.

An Orlando Sentinel online poll has shown a 92% approval rating. Keep spreading the word. We will succeed.

Thank you for all of your efforts and support!
