Lobby your legislators

Dear Kim,

We have collected \$6,300 in donations and 20,000 signatures (many more that have not been turned in). It is imperative we collect 50,000 signatures this month and raise thousands in donations. There are plenty of opportunities to collect signatures. We need YOUR HELP. Get out there and get active. We can get this done for the 2010 ballot!

Patient Spotlight

"Senator King lost his fight to pancreatic cancer this week, and Florida is now sharing in heaven a caring, humorous public servant of the people. His remains will be interred at his beloved Florida State University this week. I admired Sen. King as he fought for the right of people to be free of government infringement in their lives."

Membership Drive

We have started a membership program. There are a variety of membership levels to suit every budget. With a \$25 donation, you become a member of People United for Medical Marijuana and get a membership card and lapel pin. The gifts for larger donations include stickers, t-shirts, hats, and cookbooks. Any donations since the beginning of the campaign will be included in the program upon request.

We need a network
of doctors that
support this cause.

A Statement of
Principle has been
created to help with
this. Take it to your
doctor and ask them
to sign it, along with
a petition.

Maybe they would
be willing to donate,
please ask.

individuals dedicated to spending two hours per week on this cause for the next six months. In this amount of time, each person can collect at least 1,000 signatures helping us get to our 676,811 verified signatures. We also need these people to either donate or collect \$420. This includes money you spend on copies, clipboards, pens, t-shirts, and the fee charged by the state to get the signatures verified. I know each and every one of us would do this if you were guaranteed to have legal medical marijuana next year? Take this small step and it will happen. Know it, believe it, and act on it. These people will be honored at our PUFMM Convention next year.

Concert Signature Drives

There are too many concert events going on around the state to list. The main concert locations have been Orlando, Tampa, and Miami/Palm Beach. There are events through the entire month in St. Augustine and Daytona. If you are visiting these areas we need your help. There are tens of thousands of people at most of these events. We need every volunteer possible helping to collect signatures. We have had people walk away because they did not want to wait in line. I have heard some concern "What do I say to people?". You don't have to say a word. We have signs that tell everyone what we are doing and they come running to sign the petition. No kidding! Our volunteers have even been emphatically thanked, and even kissed, for taking part in this. Having a bad day? Go to one of these events and you will be smiling within minutes. The only way we are going to get this accomplished is with everyone's help - and that means YOU! Please get involved with your local chapter.

Legal medical marijuana can be a reality in Florida for 2010. Keep up the good work and spread the word. Thank you for all of your efforts and support!
